

Certificate of Achievement

Anchal Bisht

has completed the following course:

THE PSYCHOLOGY OF WELLBEING
UNIVERSITY OF ABERDEEN

This course explored the science of flourishing, from historical trends to multifactorial models of wellbeing. You've mastered the mechanics of hedonic adaptation and affective forecasting, developing a deeper emotional language to navigate personal myths and enhance emotional intelligence.

3 weeks, 3 hours per week

Professor Peter Edwards
Principal and Vice-Chancellor
University of Aberdeen

In association with

The person named on this certificate has completed the activities in the attached transcript. For more information about Certificates of Achievement and the effort required to become eligible, visit futurelearn.com/proof-of-learning/certificate-of-achievement.

This certificate represents proof of learning. It is not a formal qualification, degree, or part of a degree.

Anchal Bisht

has completed the following course:

THE PSYCHOLOGY OF WELLBEING **UNIVERSITY OF ABERDEEN**

This course explores the science of human flourishing. You have mastered the theoretical models of mental health, navigated the complexities of hedonic adaptation and affective forecasting, and refined your emotional intelligence through the power of storytelling and expanded emotional vocabulary.

STUDY REQUIREMENT

3 weeks, 3 hours per week

LEARNING OUTCOMES

- Critique the evolution of wellbeing from its historical roots to contemporary global trends
- Develop a definition of wellbeing by exploring diverse academic models
- Discuss the biological impediments to joy, specifically the psychological immune system and set points
- Evaluate the impact of negative bias and affective forecasting on future emotional predictions
- Explore how personal narratives and collective societal myths shape perceptions of success

SYLLABUS

- A History of Wellbeing
- Defining Multifactorial Wellbeing
- The Science of Happiness
- Cognitive Biases and Forecasting
- Narrative and Collective Beliefs
- Emotional Intelligence in Practice
